PAPER

20060314

DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on 12/19/2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has not provided a listing of claims readable on the elected species as required by the paragraph bridging pages 6-7 of the Office action mailed 6/16/2005. The Examiner apologizes for any confusion created by the species election requirements. Applicant has elected Group II (claims 37, 53-78, 115-124, 142-152, and 154) for examination. To be fully responsive to the election/restriction requirement mailed 6/16/2006, Applicant is required to elect (1) a cargo moiety (for example, claim 58, or one of claim 61, or one of claim 64, or claim 72), and (2) an aggregation inhibitor (for example, one of claim 75 or one of claim 119), and Applicant must provide a listing of claims readable on the elected species. Applicant is not required to elect a solvent, route of delivery, a "first protonized cargo moiety," or a "second protonized cargo moiety." See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jennifer Dunston whose telephone number is 571-272-2916. The examiner can normally be reached on M-F, 9 am to 5 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Remy Yucel can be reached at 571-272-0781. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to (571) 272-0547.

Patent applicants with problems or questions regarding electronic images that can be viewed in the Patent Application Information Retrieval system (PAIR, <http://pair-direct.uspto.gov>) can now contact the USPTO's Patent Electronic Business Center (Patent EBC) for assistance. Representatives are available to answer your questions daily from 6 am to midnight (EST). The toll free number is (866) 217-9197. When calling please have your application serial or patent number, the type of document you are having an image problem with, the number of pages and the specific nature of the problem. The Patent Electronic Business Center will notify applicants of the resolution of the problem within 5-7 business days. Applicants can also check PAIR to confirm that the problem has been corrected. The USPTO's Patent Electronic Business Center is a complete service center supporting all patent business on the Internet.

For all other customer support, please call the USPTO Call Center (UCC) at 800-786-9199.
